| Total Grant for the Year 2017-2018 | | | | £9707 | | |

Measures of success

All pupils will be participating in at least one after school activity either initiated by the school, sign posted by the school or other.
If non-participation, this will be by choice and not through lack of finances.
All pupils will have access to all areas of the National Curriculum including opportunities for Outdoor Adventure education in both Key Stages.
All pupils will meet the expected outcomes of the End of Key Stage 2 swimming requirements.

Monitoring and evaluation

Governors Curriculum Committee to receive reports from Head teacher and Physical Education Subject Leader.
Head teacher to report through Head teacher's report to Governors

Review: 2016-2017

Participation rates are up in terms of number of pupils and number of events competed in by pupils in external competitions throughout the school and especially in KS2.

Football coaching throughout the year is subsidised and no pupil is turned away for lack of payment. This is offered to all year groups.

There is now a lower incidence rate of non-desired behaviour at lunchtime as Midday Supervisors initiate play between pupils and encourage positive attitudes.

All pupils by the end of Year 6 can meet the end of Key Stage 2 requirements. Winners of Chiltern Edge partnership swimming champs and Southern Area Final. The boys' senior teams qualified for the County Final and came forth.

SCPS is recognised at a County level for being a sports centred school. Currently ranked in the top 2 for the past 7 years. Runners-up of the Indoor Athletics County Final 2017.

Year3 / Year 4 tennis team won through to the County Finals and came third.

Our Cross-Country team competes in county competition throughout the season. The team is for Years 1 through to Year 6. The team trains every Thursday morning from 8.00 to 8.30am. There can be up to 80 runners in a morning.

We have expanded our inter-school activities to include badminton, cricket, rounders, netball and table tennis.

Currently part of role for Trips & Visits Co-ordinator is to ensure that all our equipment for sports is ready to use and easy to find.

Training for outdoor educational challenges has proved a valuable addition to the physical education curriculum.

We encourage all pupils to participate in a sporting activity. We even provide Roller Skiing for those pupils who do not wish to participate on field games.
