

# Home-School Agreement

This Home-School Agreement demonstrates the commitment that both parents/carers and the school have to the education of the children within their care. It also shows the commitment that children are prepared to make towards their own education.

The relationship between parents/ carers and the school is fundamental to the success of the child's education.

Our aim is that all parents/carers work together with the school to ensure a positive and successful experience for all children.
