Review 2017-2018

Participation rates are still increasing. We now enter into a boys and girls football league and cup tournaments. We have competed at county level this year for Cross Country, Indoor Athletics, Swimming, Tennis and football.

All pupils at the end of year 6 still continue to meet all of the National Curriculum requirements for Physical Education.

We send teams to compete in all available interschool competitions.

Nationally, Sonning Common Primary School has 21.7% of children who were overweight or obese whereas nationally this is 34% and Oxfordshire 30% proving that our Sports Premium funding is used effectively.

The current PE Subject Leader has performed their role well in responding to introducing new sports into our Extra-curricular programme. Girls' rugby & girls football sessions.

Sporting success.
