### Key Stage 1 to Key Stage 2 Progress

If a school has a progress score of 0 this means that on average their pupils achieved similar results at the end of KS2 (end of year 6) to pupils in other schools with similar results at the end of KS1 (end of year 2). If a school has a positive progress score this means that on average their pupils made more progress than pupils in other schools with similar results at the end of KS1.

	2018	2019	2022	2023	2024
Reading	1.3	1.9	0.03	0.8	*
Writing	0.4	1.3	3.44	2.4	*
Maths	-1.2	1.0	1.05	0.7	*

\* As primary tests and assessments were cancelled in academic years 2019/20 and 2020/21 due to COVID-19 disruption, there will be no relevant KS1 data which is required to calculate primary progress measures for 2023/24 and 2024/25. Given the lack of a statistically robust alternative baseline to calculate primary progress measures, the Government will not be producing or publishing primary progress measures for 2023/24 and 2024/25.
