Key Stage 1 to Key Stage 2 Progress

If a school has a progress score of 0 this means that on average their pupils achieved similar results at the end of KS2 (end of year 6) to pupils in other schools with similar results at the end of KS1 (end of year 2). If a school has a positive progress score this means that on average their pupils made more progress than pupils in other schools with similar results at the end of KS1.

	2019	2022	2023	2024	2025
Reading	1.9	0.03	0.8	*	*
Writing	1.3	3.44	2.4	*	*
Maths	1.0	1.05	0.7	*	*

* As primary tests and assessments were cancelled in academic years 2019/20 and 2020/21 due to COVID-19 disruption, there is no relevant KS1 data which is required to calculate primary progress measures for 2023/24 and 2024/25. Given the lack of a statistically robust alternative baseline to calculate primary progress measures, the Government will not be producing or publishing primary progress measures for 2023/24 and 2024/25.

Phonics Check

Year	2019		2022		2023		2024	
	School (%)	National (%)	School (%)	National (%)	School (%)	National (%)	School (%)	National (%)
Year 1	87	82	73	75	81	79	72	80
Year 2	88	91	87	87	88	89	96	89
EYFS – ELG Results*	93	71%	77	64	64	66	61	Not available

*ELG results means children who are at the expected level across all Early Learning Goals

Notes:

Data is not available for 2020 and 2021 as assessments were cancelled in these years due to the COVID-19 pandemic.

In 2024, the methodology for identifying eligible pupils taking the phonics screening check at the end of year 2 has changed and is no longer directly comparable to previous years. This is because the previous methodology used key stage 1 data that is no longer available as the tests are now non-statutory.

In 2024, data for the year 2 cohort is produced by matching the year 2 phonics results from the current year with the census and year 1 phonics results from the previous year. Pupils are included in the year 2 figures if:

- they have a valid year 2 phonics result from the current year; or
- they have a valid year 1 phonics result from the previous year and they are in the census in year 2.

Up until 2023, pupils were included in the year 2 figures if:

- they had a valid year 2 phonics result from the current year; or
- they had a valid year 1 phonics result from the previous year and they had a valid key stage 1 result in the current year.

This means that 2024 figures are not comparable to previous years for 'end of year 2' measures. This does not impact 'end of year 1' measures.
