# **PE and Sport Premium**

**Plan for 2025-2026**

**Rachel Salmons (Headteacher)**

**July 2025**

## **1 PE and Sport Premium**

Schools have a central role to play in supporting all children and young people to live healthy active lives. This is particularly true of primary school where the foundations of positive and enjoyable participation in regular physical activity should be established.

Crucial to achieving this is ensuring that pupils have access to at least 30 minutes of physical activity during the school day, alongside high-quality PE provision taught by confident and knowledgeable teachers and opportunities to experience and participate in a wide range of sports and physical activities.

The government provide PE and sport premium grant funding of £16 000 plus £10 per pupil, based on the number of pupils in years 1 to 6 as recorded in the January 2025 census. In 2025-26 SCPS have 300 eligible pupils and will receive £19 000.

## **2 How SCPS use this funding**

SCPS uses the PE and sport premium funding to:

- build capacity and capability within the school to ensure that improvements made now are sustainable and will benefit pupils joining the school in future years
- develop or add to the PE, sport and physical activity we provide

Key indicators

- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Engagement of all pupils in regular physical activity
- The profile of PE and sport is raised across the school as a tool for whole school improvement
- Broader experience of a range of sports and physical activities offered to all pupils
- Increased participation in competitive sport

## **4 Monitoring and Evaluation of the Impact**

The impact of the spending of the PE and sports premium grant will be assessed by the PE subject leader and the head teacher and reported to the Governors on a regular basis. The school will complete a digital report to the DfE by 31st July and report on this on our website.

Monitoring and evaluation will include keeping a record of SCPS's sporting achievements through inter school sports competitions and the number of extra-curricular sports clubs running throughout the year.

Pupils will be encouraged to participate in healthy and active games during their playtimes, facilitated by Active Leaders from Years 5 and 6.

We will work towards all pupils participating in at least one after school sports activity either initiated by the school, sign posted by the school or other. If non-participation, this will be by choice and not through lack of finances.
