

ICT AT HOME

Name of child:.....

Dear parents/ carers,

As part of our assessment at the end of the Kites, we will report on children's abilities in Technology. We find that technology used at school is often different to what children do at home. Please could you take a few minutes to complete this short questionnaire and return it to school about your child's use of technology?

1. Does your child understand they can find things out from books or computers? Yes/ No
2. Do they recognise that a range of technology can be used at home/ school? Yes/ No
3. Does your child use any of this technology:

<i>Please ✓ or x</i>	On own	With help	Doesn't use	Details
Laptop or desktop computer				
Internet websites (i.e. cbeebies) / tablet apps				
Mobile/Smart phone/ Tablet				
Interactive TV / smart speaker				
DVD / CD player/ remote control				
Game console to use age-appropriate software				
Programmable toy (e.g. a remote control car)				
OTHER? (Please list)				

4. Can your child use Technology to support an identified need? – eg Skyping/Facetime a relative, finding and using a favourite App/programme, setting the timer on the microwave, playing music on a smart device to dance to, taking a photo on a phone, ask Alexa? **(PLEASE TICK)**

Yes, on own	With help	Doesn't choose to/ no
Please give an example:		

Many thanks for your support. The Kites Team 😊
