# This is my new classroom.

I can sit and look  
at books in the  
Reading Area.

I can use the  
computers to help me  
learn new things!

I can play outside with lots of different things.

I will get to explore Forest Camp with my friends.

We LOVE  
Forest camp!

This is where I will hang my coat up.

This is where I will go to the toilet and wash my hands.

This is the hall, where I will do PE, go to assembly, eat my school dinner or packed lunch.

This is where my mummy or daddy will collect me from at the end of the day.
