

Phonics videos

Our Read Write Inc trainers have given us access to some home learning videos, to help the children revise key sounds to help their reading and their writing.

If you have a spare 5 minutes with your child at home, please do take the time to play one or even all of these phonics videos, perhaps they could be used in hand with the revision packs we sent home? We will be posting them up every week to help with revision and they will be available for 10 days.
